Message from Principal Griselda Castro

Dear Lancer Baseball Players, Parents, and Supporters,

As we approach the new season, I want to take a moment to recognize the hard work and dedication our baseball players show both on and off the field. It's inspiring to see these young athletes commit themselves not only to developing their skills in the game but also to excelling in the classroom. Being a scholar-athlete is no easy feat, and their determination is a testament to the values and pride that define our Lancer community.

The support of families, friends, and the community plays a huge role in the success and morale of our players. It's exciting to see how invested everyone is in this program, whether it's cheering from the stands, organizing events, or coming together on game days. I'm grateful for our community's involvement and commitment to making La Serna a place where our students can thrive, learn, and grow as leaders and role models.

To all the players: remember that each practice, each game, and each day is a chance to build not only your athletic ability but also your character. Keep working hard, stay focused, and continue to set a positive example for our school. You have a strong network cheering you on every step of the way, and I look forward to an amazing season ahead! Go Lancers!

Sincerely,
Griselda Castro
Principal

Message from Assistant Principal Randy Castillo

As Assistant Principal of La Serna High School, I am excited to welcome all of our students, parents, and the greater La Serna community to the 2025 Baseball season. This year, we look forward to a season filled with growth, teamwork, and hard work as our student-athletes take the field. Under the leadership of Coach Anthony Gonzales, we are confident that our team will continue to build on its successes and strive for new achievements.

I would like to extend a sincere thank you to Coach Gonzales and the coaching staff for their dedication to the program and their ongoing commitment to supporting our student-athletes both on and off the field.

We also want to recognize and thank the Diamond Club for their continued support, which plays an essential role in helping to provide the necessary resources for our players to succeed.

A special thanks also goes to the parents and families of our players, as well as the entire La Serna community, for your support and involvement. Your contributions help create a positive environment for our athletes to develop, compete, and thrive.

As we begin this season, I wish the best of luck to our players, coaches, and families. I look forward to seeing all the progress and successes we will experience together. Let's make this 2025 Baseball season one to remember! Best of luck, Lancers!

Randy Castillo, Assistant Principal

Message from Athletic Director Andy George

I would like to welcome all of you to another exciting season of La Serna Lancer Baseball. Here at La Serna, our storied Baseball Program continually develops our student athletes into successful, disciplined players on and off the field who play the game with sound fundamentals, execution, and attention to detail.

Leading this program, we are fortunate to have Coach Anthony Gonzales, Jr. Coach Gonzales is one of the most well respected Baseball Coaches around and it is easy to see why. His knowledge of the game, respect for his players and commitment to La Serna continue to produce results and also provide a positive experience for our Lancer student athletes. Alongside Coach Gonzales is a dedicated, hard working staff of coaches determined to ensure success as well.

I would like to thank our student athletes, parents, coaches and administration for all of your hard work and support of our Baseball program and all of our athletic teams. Good luck this season Lancers! Continue to play hard and have fun. Our La Serna Family looks forward to seeing you in action on the diamond and cheering you on!

Andy George, Athletic Director

Head Coach Anthony Gonzales, Jr.

Coach Anthony Gonzales, Jr. enters his 22nd year coaching and his 18th season as Head Coach at La Serna. With a remarkable career head coaching record of 271-194-6, Coach Gonzales has led the Lancers to six Del Rio League Championships (2009, 2013, 2021, 2022, 2023, 2024). Under his leadership, the Lancers achieved an impressive 25 win record during the 2022-2023 season.

Coach Gonzales carries on a proud family tradition of coaching baseball in Whittier. A standout player at California High School, he is a member of the Cal High Baseball Hall of Fame. He went on to play collegiate baseball at Santa Ana Community College before transferring to California State Polytechnic University Pomona. At Cal Poly Pomona, Coach Gonzales was a two-time All-Conference player and earned an NCAA award for the fewest strikeouts in a single season across all of college baseball—just four strikeouts in 236 plate appearances. After a brief stint in the minor leagues, Coach Gonzales discovered his true passion for coaching baseball. He spent three years as an assistant head coach at Rio Hondo Community College under the mentorship of Head Coach Mike Salazar before joining La Serna High School in 2004. In addition to his coaching duties, Coach Gonzales is a dedicated staff member in the Special Education department, working in the LH department.

A Message from Coach Gonzales

As we gear up for another exciting season, I want to take a moment to express my gratitude to our district & school administration, support staff, parents, and all of our incredible supporters. Your support is the backbone of our program's success. I also want to extend a heartfelt thank you to the Diamond Club Board of Directors for their outstanding dedication and everything they have done to elevate our program.

To my fellow coaches: Thank you for your tireless dedication, hard work, and the pivotal role you play in shaping our team. Your passion and commitment inspire both the players and me every single day. It is a privilege to work alongside you all.

To my players: this season is about more than wins and losses. It's about building a culture of excellence, respect, and teamwork that embodies what it truly means to be a Lancer. As Lancers, we strive for greatness in everything we do—on the field, in the classroom, and within our community. Let's embrace every challenge as an opportunity to grow, and let's push each other to be the best versions of ourselves. Together, we will celebrate our victories, learn from our setbacks, and build memories that will last a lifetime. I'm honored to lead you, and I look forward to another unforgettable year. Go Lancers!

THANK YOU TO OUR BASEBALL COMMUNITY

A heartfelt thank you to the Diamond Club Board of Directors, committee members, and parent volunteers, —your dedication is the backbone of our program! From organizing apparel and overseeing fundraisers to keeping the snack shack running and everything in between, you make it all possible. Your tireless efforts ensure our players have the resources and support they need. We are immensely grateful for all the time you have dedicated to the program.

Special Thank You to Frank McCaffer

We would like to give a very special thank you to Frank McCaffer for his generous donation of the Media Guide printing. As a parent of a former Lancer and a longtime friend of La Serna Baseball, Frank has always gone above and beyond to support La Serna High School. His continued generosity and commitment to our team exemplify the true spirit of the Lancer community, and we are deeply grateful for all he has done.

LANCER ALUMNI SPOTLIGHT: ERIC MARTINS

Eric (Anthony) Martins, a proud Lancer alum and member of the 1990 CIF Championship team, has built an impressive career in professional baseball and currently serves as the Oakland A's 3rd Base Coach. Since joining the A's organization in 1994 as a player, he has spent over two decades in various roles, including seven seasons in the minor leagues, seven years as a scout, and five as a minor league hitting coach before his current role as the 3rd Base Coach. A dedicated mentor and developer of talent, he continues to make an impact at the highest level of the game, carrying the Lancer spirit with him. Thank you Eric Martins for letting us interview you for the 2025 La Serna Baseball Media Guide!

What position did you play at La Serna?

I played everything except pitcher (Catcher, Shortstop, Center, 3rd). For our CIF championship team, I started as Shortstop. My favorite position is in the infield, Shortstop or 2nd.

What are some of your favorite memories of playing baseball at La Serna?

Winning the CIF championship for sure. (The Championship game was at Angels stadium!)

Can you share a funny or memorable moment from your time as a Lancer?

Pep Week was a great memory. I think they call it Spirit week now. Our team would participate in the games and do competitions like obstacle courses. We played to win for sure, I remember as Sophomores we beat the Juniors. We also did dance routines. We had a really good class and we were very close.

Did you have a high school nickname on the team that you want to share?

My family has always called me by my middle name, which is Eric. However, I was registered at the school under my legal first name which is Anthony. So for a while I was getting called both names: Eric and Anthony. To be funny, some of my teammates started calling me "Bob" just to add another name to the mix.

Most Athletic: Anthony Martins

Did you have any unusual or superstitious pregame rituals?

Yeah I'm very superstitious. When I was young, if I had a great game, then at the next game I would make sure I ate the same exact thing as the prior game. As I got older my rituals evolved. In college and in pro ball, about 20 minutes before a game I would go out to center field and lie on my back and visualize what I wanted to achieve. I think people probably thought I was taking a nap. I still practice mindfulness and meditation. It's incredible what you can manifest when you practice visualization.

What school was it crucial to beat?

Cal High. Always.

Do you have a memory of a mistake you made during a high school game and how you bounced back?

In the CIF Championship game, I started with a base hit. While on 1st, I went to steal on the first pitch and I got thrown out right away. That really messed with me; I had stolen 41 bases that year and hadn't been thrown out all season. I took it pretty hard, I remember thinking wow I just ruined our chance to score right in the first inning. But I knew we had a lot more game left and I realized I could still help my time win. We won that Championship game, 1 to 0.

Was there a coach or teacher from La Serna who had an impact on your baseball journey? Any specific advice they shared that you still follow to this day?

Coach Brock for sure, 100 percent. I played three Varsity sports (Football, Basketball and Baseball) and Coach Brock was really instrumental in navigating my career path to choose baseball. I am still in touch with him.

What qualities do you believe are essential for building a successful team, whether in high school or the MLB?

Any good program starts with a good culture and that culture starts from the top, with a good coach. There needs to be expectations so everyone is on the same page. In the big leagues, we are very careful of who we are bringing into the clubhouse. They need to be a good fit with our existing players. Our players are close-knit and when you have that dynamic, the players play for each other and don't just play for themselves. We were lucky to have that at La Serna, as a team we were really close and I still keep in touch with some of my old teammates.

Do you have any baseball advice or a message for our current Lancers?

La Serna is a special place for me, it's where my career started. I bleed La Serna. My message to the current team is to slow down and enjoy the moment. Enjoy spending time with your teammates instead of just thinking about the next thing. Wear that uniform proudly and remember, once a Lancer always a Lancer. Have a great season and good luck!

Words can't express the immense pride we feel watching you grow as a baseball player and as a young man. Every victory, every setback - they've all shaped you into the strong, determined person you are today. You never give up, and that resilience will serve you well in all aspects of life. We are forever your biggest cheerleaders, cheering you on from the stands and celebrating every triumph, both on and off the field. Keep chasing your dreams, son.

The sky's the limit.

With love and support,
Mom and Dad
